DEVELOPMENT DEPARTMENT.

G.O.Ms.No.306. Dated 28.1.52.
Read the following:

From the Director of Controlled Commodities,
Rc.C7.144105/51, dated 18.12.51.

O R D E R:

In G.O.Ms.No.851, Development, dated 21.2.1949 the Government fixed a time limit of 7 days for the linked dealers to left the quota allotted ~~when~~ to them from the wholesalers and wholesale consignees as the case may be. Subsequently on representations from the wholesale consignees and wholesalers that they were left with huge accumulation of stocks and that the time limit was too long. The Government ordered in G.O.Ms.No.4213, Development Department, dated 13.8.49, that the linked dealers should send an acceptance to left the quota allotted to them within 5 days of the receipt of the intimation from the wholesale consignee or wholesale dealer who on receipt of such acceptances should wait for a full period of 7 days. But when the linked dealers failed to send the acceptance letter within 5 days, the wholesale consignee and the wholesaler as the case may be can sell such cloth on the 6th day to dealers of their choice.

2. The Director of Controlled Commodities has reported that complaint have been received that wholesale consignees and wholesalers lapse bales on the slightest grounds, that the acceptance letters do not reach them within 5 days and cause much inconvience to linked dealers. To avoid complaints and to enable linked dealers to left their quotas from the wholesalers and wholesale consignees the Director of Controlled Commodities has suggested that the wholesale consignees and wholesalers may wait for a full period of 7 days in all cases from the date of receipt of intimation by the linked dealers. The Government accept the recommendation of the Director of Controlled Commodities and direct that instructions may accordingly be issued to all wholesale consignees and wholesalers in their districts.
